

## CFI Seminar, at Bay Bridge Airport

If you're an active CFI, interested in reinstating your CFI or thinking of becoming a CFI, join this informative seminar conducted by active instructors and a designated pilot examiner. We'll discuss how to teach aerodynamics in 'practical' terms, crosswind landing basics and instructor techniques and how to become a CFI or renew your CFI certificate. Earn Wings credit. Click on the link below and register TODAY.

**Directions:** Please see the map link for directions. The seminar will be held in the Pilot Lounge.
